

Dermott Schools Receive Accreditation Report

The Arkansas Department of Education (ADE) reviews Annual Accreditation Reports to determine the accreditation status of each school in each district in Arkansas. The Dermott School District received on May 17, 2010, the following accreditation status.

Dermott Elementary (K-6) ACCREDITED
Dermott High School (7-12) ACCREDITED

The status report will be the school district's final and official accreditation status report for the 2009- 2010 school year.
